

**PARIS STREETScape, PARIS, ILLINOIS**

ESI Consultants provided Construction Inspection services to the City of Paris for the Paris Streetscape project. This project included streetscaping and ADA accommodation improvements in the Downtown Paris area. Services included construction inspection, ICORS documentation, and quantity and materials documentation. The 2008 IDOT Consultant Evaluation for ESI's services received an "Excellent" rating on this project.

**Client:** City of Paris (Subconsultant to Berns, Clancy & Associates, P.C.)  
**Services Provided:**

- Construction Inspection
- ICORS Documentation
- Quantity Documentation
- Materials Documentation

This project reflects Firm  
and Staff experience.
