

DOWNTOWN LONG GROVE STREETScape & MASTER PLAN
LONG GROVE, ILLINOIS

The project consists of development of a Master Plan for the Village of Long Grove's Historic Downtown including adjacent areas for potential redevelopment. Extensive community involvement included one-on-one interviews, a project website, task force, community newsletters and community information meetings. The master plan addressed infrastructure needs, economic development, market branding, way-finding and appearance issues (streetscape and private development standards). The project team consisted of ESI, HDG and BDI.
